■ Companies have internal Shareea's Supervisory Board

\* We have evaluated these companies based on the last available financial statements since third quarter financials are not yet available to us. Also, companies that were not in compliance with the criteria in prior periods and its financials are not available yet, have also been excluded from this list. That is because we apply the criteria on companies that we don't have their latest financials based on the last available financials.

\*\* It is not permissible to trade in this stock but its permissible to keep it until the release of new financial statements

● Al-Aman Investment Company applies Islamic Shariah criteria on the quarterly financial statements of KSE listed companies. Al-Aman issued this list in response to the desire of investors who seek to comply with Islamic investment principles. This list should not be construed as a solicitation or invitation to buy or sell any stock to buy or sell specific stocks and that methodological differences might occur between different Shariah Committees resulting in different Shariah compliant stocks.

● Adjustments are made to Al-Aman "Sharia compliant stocks list" periodically as financial statements of the KSE companies are declared which may cause an exit /entry of companies out/to the list each period.
